

## SAFETY DATA SHEET (SDS)

		Section 1. Identification				
Product identifier 1020-0						
Other means of identification         Penetrating natural oil						
Recommended use and restrictions on use         All exterior wood surfaces						
Initial supplier identifier       MF Paints Inc. 1605 Dagenais Boulevard W, Laval, QC H7L 5A3 T:(450) 628-3831						
Emergency telephone number/restriction on use         Canada – CANUTEC 24 hour number 613-996-6666           Section 2. Hazard identification						
Section 2. Hazard identification           Classification of hazardous product (name of the category or subcategory of the hazard class)						
Flammable liquid (Category 3		ly of subcategory of the hazard class)				
Skin irritation (Category 2) Eye irritation (Category 2A)						
Specific target organ toxicity -	single exposure (Category 3)	) Central nervous system				
		tements and precautionary statements of th	a catagory/subcatagory)			
WarningH226 Flammable liquid and vapour.H315 Causes skin irritation.H319 Causes serious eye irritation.H319 Causes serious eye irritation.H316 May cause drowsiness or dizziness.P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P240 Ground and bound container andreceiving equipment. P241 Use explosion-proof equipment. P242 Use non-sparking tools. P243 Take action to prevent static discharges. P261 Avoidbreathing dust/fume/gas/mist/vapours/spray. P264 Wash hands/nails/face thoroughly after handling. P271 Use only outdoors or in a well-ventilatedarea. P280 Wear gloves/protective clothing/eye protection/face protection. P303 + P361 + P353 IF ON SKIN (or hair): Take off immediately allcontaminated clothing. Rinse skin with water. P302 + P352 IF ON SKIN: wash with plenty of water. P333 + P313 IF SKIN irritation or rash occurs:Get medical attention. P362 + P364 Take off contaminated clothing and wash it before reuse. P305 + P351 + P338 IF IN EYES, Rinse cautiouslywith water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P337 + P313 If eye irritation persists: Get medicalattention P304 + P340 IF INHALED: Remove person to fresh air and keep comfortable for breathing. P312 Call a doctor if you feel unwell. P370+ P378 In case of fire: Use carbon dioxide, chemical powder agent and appropriate foam to extinguish. P403 + P233 + P235 Store in a well-ventilated place. P405 Store locked up. P501 Dispose of contents/container into safe container in accordance with local, regional or nationalregulations.READ INSTRUCTIONS BEFORE USING. DANGER OF COMBUSTION. Keep out of reach of children.

		nposition/information on ingredients				
Chemical name (common na		CAS number or other	Concentration (%)*			
Medium aliphatic solvent nap		64742-88-7	10-30			
Kerosene		64742-47-8	< 3			
Hemp oil		89958-21-4	30-60			
Tung oil		89938-21-4 8001-20-5	<10			
Linseed oil 66071-03-2 <15						

\* Statement - This safety data sheet provides concentration range(s) instead of the actual concentration(s) considered trade secret(s).

	Section 4.	First-aid measures			
Inhalation	IF INHALED: Remove person to fresh air and l	keep comfortable for breathing. Call a doctor if you feel unwell.			
Ingestion	IF SWALLOWED: Immediately call a doctor. DO NOT INDUCE VOMITING. NEVER give anything by mouth if vi				
-	rapidly losing consciousness, or is unconsciou	s or convulsing. Rinse mouth thoroughly with water. Have victim drink two			
	glasses of water. If vomiting occurs naturally, h	ave victim lean forward to reduce risk of aspiration.			
Skin contact	IF ON SKIN: wash with plenty of water. (15-20 minutes). IF SKIN irritation or rash occurs: Get medical attention. Take o				
	contaminated clothing and wash it before reuse.				
Eye contact	IF IN EYES, Rinse cautiously with water for several minutes (15-20). Remove contact lenses, if present and easy to do. Continu-				
•	rinsing. If eye irritation persists: Get medical att				
Most important	symptoms and effects (acute or delayed)	Causes skin irritation. Causes serious eye irritation.			
Indication of im	mediate medical attention/special treatment	In all cases, call a doctor. Do not forget this document.			
		ire-fighting measures			
Specific hazards	s of the hazardous product (hazardous combusti				
	nd other irritant/toxic gases and fumes.
