

CLEANS WHAT ORDINARY CLEANERS SIMPLY CAN'T!™

WHAT MAKES ORIGINAL KRUD KUTTER SUPERIOR TO ORDINARY CLEANERS?

- **Earth Friendly**
Water Based. Non-Toxic. Biodegradable. Non-Flammable.
- **Commercial Strength**
When mixed (1:10) with water, 3.78 L (one gallon) of concentrate will clean approximately 232 m² (2,500 ft²). Can be applied by pressure washer, pump sprayer, brush or roller. Contains anti-corrosive agents to safeguard pressure washer parts (bleach can erode O-rings).
- **Colour Fast, Fabric Safe, Leaves No Residue**
Safe for all carpet types, including synthetic, as well as stain resistant carpets. Concentrated formula will clean six 2.5 m x 4.0 m (9' x 12') carpets.
- **Multi-Surface Compatibility**
Recommended for exterior siding (wood, vinyl, aluminum), roofing of all types (asphalt shingles, fiberglass shingles, cedar, tile), gutters, wood fences and decks, walkways and walls, even RV's, patio furniture, and boats.

CONCENTRATED COMMERCIAL STRENGTH FORMULA SAFELY & EASILY REMOVES:

- Dried Latex Paint
- Paint Overspray
- Wallpaper Adhesive
- Tape Residue
- Food & Drink Stains
- Glue & Adhesive
- Acid Rain
- Bird Droppings
- Smoke Damage
- Tree Sap
- Grease & Oil
- Marker & Crayon
- Pet Stains
- Brake Dust
- Fireplace Soot
- Oxidation
- Lipstick
- Scuff Marks
- Blood Stains
- Sun Tan Oil
- Tar & Wax
- Chewing Gum
- Soap Scum
- Mildew Stains
- Shoe Polish
- And More...

Original Krud Kutter® Concentrated Cleaner/Degreaser Stain Remover

CUTS GREASE, GRIME, OIL,
TAR & WAX FAST!

2015

Technical Data

Physical Data:

Contains: Water (7732-18-5), Trisodium Salt of Methylglycinediacetic Acid (164462-16-2), Ethoxylated Alcohol (Proprietary), Sodium Metasilicate Pentahydrate (6834-92-0), Potassium Hydroxide (1310-58-3).

Physical State: Liquid

Colour: Clear

Odour: Mild

pH: <12.2

Flash Point: Non-Flammable

VOC: 0% (0g/L)

Coverage:

Heavy Soils (Full Strength)

946 mL: 4.5-7 m² (50-75 ft²)

3.78 L: 18.5-28 m² (200-300 ft²)

Medium Soils (10 to 1)

946 mL: 46.5-70 m² (500-750 ft²)

3.78 L: 204-307 m² (2,200-3,300 ft²)

Light Soils (30 to 1)

946 mL: 139-209 m² (1,500-2,250 ft²)

3.78 L: 576-864 m² (6,200-9,300 ft²)

No other single product removes really tough soils as quickly and effectively from so many different surfaces.
COLOUR FAST • FABRIC SAFE • LEAVES NO RESIDUE

DIRECTIONS: Always test on an inconspicuous area first. Apply directly on surface to be cleaned, and allow to penetrate briefly. Wipe off with a clean cloth or towel. For older, more difficult jobs apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs, such as the removal of old, dried latex paint, scrub with a brush or scouring pad, and wash off with a wet rag. For engine cleaning, use on a cold dry engine. Do not use on varnished surfaces or leather. Do not mix this product with any other chemicals.

CONCENTRATED COMMERCIAL STRENGTH

FORMULA SAFELY & EASILY REMOVES: Food & drink stains, dried latex paint, paint overspray, tape residue, glue & adhesive, acid rain, bird droppings, smoke damage, tree sap, grease & oil, marker & crayon, pet stains, brake dust, fireplace soot, oxidation, lipstick, scuff marks, blood stains, sun tan oil, tar & wax, chewing gum, soap scum, mildew stains, shoe polish, and more.

HEAVY CLEANING (FULL STRENGTH): BBQ Grills & Ovens; Hoods & Exhaust Fans; Tubs, Sinks & Showers; Tools & Equipment; Machinery; Tile & Grout; Whitewalls; Driveways; Engines; Floor Wax Removal.

ALL PURPOSE 354 mL (1½ CUPS) OF CONCENTRATE TO 3.78 L (1 GALLON) OF WATER: Appliances; Mini-Blinds; Canvas; Chrome; Silver; Brass; Copper; Porcelain; Plastic; Fiberglass; Linoleum; Aluminum; Vinyl; Patio Furniture; Walls & Baseboards; Carpets; Upholstery; Stainless Steel; Laundry Presoak; Wheels.

REFLECTIVE SURFACES 45 mL (1½ OZ.) OF CONCENTRATE TO 3.78 L (1 GALLON) OF WATER: Computer/T.V. Screens; Glass; Mirrors; Windows; Display Cases; Crystal; Lights; Car Wash.

SAFE • FAST • EFFECTIVE ON MOST SURFACES

Recommended for exterior siding (wood, vinyl, aluminum), roofing of all types (asphalt shingles, fiberglass shingles, cedar, tile), gutters, wood fences and decks, stucco, brick and cement block, masonry, concrete driveways, walkways and walls, even RV's, patio furniture, and boats.

COST EFFECTIVE & EASY TO USE • ONE PRODUCT DOES IT ALL

For manual application mix 354 mL (1½ cups) of concentrate with 3.78 L (1 gallon) of water. When diluted 3.78 L (1 gallon) of concentrate will clean approximately 232 m² (2,500 ft²) (less on rougher surfaces). Can be applied by pump up sprayer, brush or roller. Simply apply to the surface, leave for 5 to 10 minutes, and wash off.

DIRECTIONS: PRESSURE WASHER APPLICATION

Contains anti-corrosive agents to safeguard pressure washer parts (bleach can erode O-rings). When using a pressure washer to clean painted surfaces, please be aware that water pressure alone may remove paint, or highlight existing discolouration caused by the sun's UV rays.

1. Rinse surrounding plants with water, before and after application.
2. Wet the surface to be cleaned, prior to applying the product.
3. Place detergent application siphon tube and screen filter directly into container. Open meter valve (if applicable) for maximum product flow. For reservoir machines, pour product (full strength) into pressure washer.
4. Spray at low pressure onto a wet surface.
5. On vertical surfaces, always spray from the top down.
6. Allow product to remain on the surface for 3 to 5 minutes to penetrate. Do not allow product to dry on surface.
7. Remove siphon tube from solution and rinse surface with high-pressure spray thoroughly.
8. Flush siphon tube with clean water prior to storage.

DIRECTIONS: CARPET CLEANING & STAIN REMOVAL

1. Safe for all carpet types, including synthetic, as well as stain resistant carpets. Please test in an inconspicuous area first.
2. Concentrated formula will clean six 2.5 m x 4.0 m (9' x 12') carpets. Coverage may vary depending on type and condition of carpet.
3. Vacuum carpet thoroughly with home vacuum cleaner.
4. Pre-treat any stubborn spots or stains by using concentrate (in undiluted form) as a stain remover prior to cleaning carpet.
5. Add concentrate to the receiving/waste tank of the machine to reduce foam buildup.
6. Add 118 mL (4 ounces) of concentrate for each 3.78 L (1 gallon) of water in the dispensing/fill tank.
7. For heavy traffic areas or heavily soiled carpets, add 177 mL (6 ounces) of concentrate for each 3.78L (gallon) of water.
8. Use hot (not boiling) or cold water according to the carpet manufacturer's cleaning directions. Read machine instructions carefully. Do not overfill.

MAY IRRITATE EYES. MAY IRRITATE SKIN. Do not get in eyes or on skin or clothing. Do not breathe fumes. Keep out of reach of children. Wear rubber gloves and safety glasses. **FIRST AID TREATMENT:** Contains potassium hydroxide. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes or on skin, rinse well with water.
